describing people

situation one these are my friends

hi thanks for coming it's great to see

you

come in now let me tell you about my

friends

over there that's my best friend susan

can you see her she has long black hair

quite tall and slim

she's wearing jeans and a t-shirt

you'll like her because she's friendly

and she can be

very funny we were at school together

we had so many laughs

then over there is kevin

he's the one wearing the suit

he's serious but very kind he's a

teacher

i'm sure the kids love him

next to him in the shorts is sam

he always wears shorts whatever the

weather

he's crazy but he's interesting too

ask him about his visit to india

oh and there's mary dancing over there

the one wearing the dress she's

really clever but she studies all the

time

she's so hard working you wouldn't

believe it

anyway how about a drink before i

introduce myself

situation two jane meets

lucy in a clothing store

hello lucy i need your advice

i'll help if i can i can't decide which

t-shirt to buy the blue one has

short sleeves while the green t-shirt

fits

but i don't like the low neckline i have

a long neck

do they have a blue t-shirt in a

different size

no the arm length in all the t-shirts is

too

short for me i have a similar problem

when i buy trousers and find a pair the

correct length

the waist size is too big

you are very tall have you tried some of

the other stores

on the high street yes but the quality

is not as

good as here i recently bought a

cardigan

and the sleeves ended just below the

elbow

the salesperson said it was the fashion

to have sleeves that length

well i suppose i could buy a blue shirt

and tell everyone it is the latest

fashion

and have the shorter sleeves

yes and it will allow your bracelet to

be seen and not hidden by a long sleeve

thanks i'll buy the blue t-shirt

situation three tui loses her car keys

us treasuries ticked higher as equity

investors no

it's not possible what happened
